SAVE THE DATE! Suzuki SMPLA Summit!

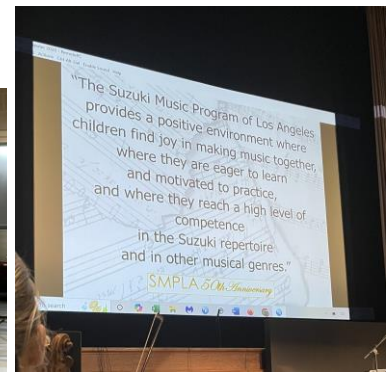

Monday, December 30, 2024 8:00 – 9:30 pm Pacific, Zoom

"Charting A Vision and Pathways Forward!"

We have been celebrating the 50th Anniversary of the Suzuki Music Program of Los Angeles (SMPLA) throughout 2024. We have had many joyful musical events, including Recitals, public performances at senior living centers, Bach-in-the-Subways, Knott's Berry Farm, and the Gala Benefit Concert and Fall Festival!

Although we know that lives and times have changed over the last 50 years, we continue to firmly believe that music education and "children making music together" is still vital. Join with us in envisioning how SMPLA can continue its mission of music education and providing spaces for children to "make music together" now and into the future!

More details and registration to come.

"Saving the world through the power of music!"

"The Suzuki Music Program of Los Angeles provides a positive environment where children find joy in making music together, where they are eager to learn and motivated to practice, and where they reach a high level of competence in the Suzuki repertoire and in other musical genres."
